

Road charging systems

The European perspective

Dr. Norbert Handke

VTCon GmbH

Definition of systems

on Highways / in Cities

for trucks / for cars

Situation today

Highway systems

City systems

Political goals

Objective **technology** **costs**
legal framework **problem**
benefits **timing** **keep fair**
sweeten **lead**

Situation tomorrow

harmony

RCI

**Development of a suitable
collection device for Europe**

Thank You

You survived it
